SPICY TUNA HAND ROLL*
SHRIMP & KRAB HAND ROLL**

I started out when I was a boy in my mother's kitchen. We cooked food to sell in the morning market, back in Thailand. I helped her with everything, from pounding a mortar to make curry paste, to climbing a coconut tree to get coconut. I came to the United States and worked as a chef to support myself while attending college. In 2000, I opened my first Moon Thai & Japanese restaurant in Coral Gables. My mother gave me a passion for cooking and I love what I am doing - I wouldn't trade it for anything. Thank you for your support.
